BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Being a kid is like having two permanent police officers watching you all the time - even when you're going to the bathroom. At least that's how it feels to Billy March. He's been grounded for 63 of the past month. The thing is, every time Billy almost gets his parents' trust back, his mind wanders off, and he causes another disaster! Like the time he and his best friend Keenan decided to play droid war in a parking lot and ended up launching a shopping cart into a car. . . . Now Mom and Dad are threatening to send Billy to a psychologist. They may even make him take brain drugs! But deep down, Billy really worries that Dad wishes he had a different son. He'll never be as perfect as his two sisters. Maybe he doesn't belong in this family at all. But maybe, just maybe, talking to a shrink won't be as terrible as Billy thinks. Even if the doctor's last name sounds eerily like the word grave. . . .
