It shows you step-by-step how to crush the accusation made by Fundamentalist Christians that Purgatory does not exist and calling a Priest by the title of Father is wrong. When you present this biblical evidence to Fundamentalist Christians, they will walk away in solemn defeat, seriously questioning their own Fundamentalist journey of faith, while former Catholics will begin their journey home to the Catholic Church. This book is analytical, hard-hitting, painfully honest, and provocative. With indisputable evidence, the author does a superb job in accurately undermining the basis of the Fundamentalist argument.
