Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dover Publications Inc., United States, 2007. Mixed media product. Book Condition: New. 272 x 203 mm. Language: English . Brand New Book. During his brief lifetime and career, Aubrey Beardsley forged a bold, individualistic style that transformed the art of illustration. At the same time, he also shocked Londoners of the 1890s with his exotic renderings of subjects that often projected the sensual and the grotesque. This collection brings together the best of Beardsley's work—from book illustrations for *The Savoy* and *Salome* to magazine cover designs, title pages, and poster art. These startling drawings continue to fire the imaginations of new generations of artists. This book includes a CD-ROM containing 221 royalty-free images saved in JPEG and TIFF formats.
