Rosie loves to play detective, yet she never thought she d get to use her sleuthing skills as a flower girl. But that s what happens when the wedding she s in begins to fall apart. Luckily for the bride, Rosie and her new flower girl friends are on the case. Now it s up to them to turn a wedding gone wrong into one that s done right! Featuring diversity, humor, and fast-paced fun, the Flower Girl World children s book series highlights themes of friendship, leadership, acceptance, growing up, and girl power. Blogger Melissa Glynn of Julia s Bookbag says, I think girls would just FLIP over this series! I love the message, which does not center around dressing up and looking pretty. The stories focus on friendships, on finding confidence in one s abilities, and on doing what you can to assist others. This young readers chapter book is a celebration of flower girl fun and will appeal to any young girl, whether or not she is a flower girl in a wedding. If she is in a wedding, it makes the perfect flower girl gift! Look for more books in the Flower Girl World series: Iris and the Aloha Wedding Adventure Camellia the Fabulous Flower Girl.
