THE THEOLOGY OF ILLNESS

St Vladimirs Seminary Press January 2002, 2002. Paper Back. Condition: New. French philosopher and Orthodox layman Jean-Claude Larchet makes a bold, possibly even startling, pronouncement: "There is no question that people today have far fewer resources than their ancestors did to deal with the entire problem [of physical illness]." While he accedes that modern medicine has acquired extraordinary skill in diagnosis, therapy and prevention, its treatment of the body addresses only our biology and not our spirituality. As strange it...

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

-- **Otilia Schinner**

Extremely helpful for all class of people. It is probably the most incredible ebook i actually have go through. I discovered this publication from my dad and i recommended this ebook to discover.
