Senryu are more about human nature and foibles. Whatever you call them, they provide unique opportunity to express momentary experiences, observations and reflections. They tend to rise up at unexpected times from the inner self in succinct, surprising form. They are super companions. For example, a remark from the shoe repair man, No deposit necessary, you're from the old school prompted 75-I ought to just sit and rock and, can you remember when your four year old came home from nursery school with the news that Jimmy has chicken pox pre-school treat -chicken pox for everyone! Life is full of surprises. Therefore, Jux-ta-po-si-tions Volume II is a celebration of life. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
