

Contemporary Readings in Crime Control Strategy: Revised Edition

By -

University Readers, United States, 2010. Paperback. Book Condition: New. Revised. 277 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.The readings in this collection are bound by a singular purpose: identifying effective strategies to reduce and prevent crime on America s streets and in her neighborhoods. For frontline law enforcement this is a central mission - a mission increasingly informed by the findings of social science. What strategies work? Which ones don t and why? The answers are found in the methods and measures of social science. Because criminal justice professionals rely on their findings, the work of today s social scientists carries special responsibility. Crime control is no ivory tower exercise. It requires going to those dark places in society where urban crime has its roots. This book is about shining light into those dark places. Among more content, Contemporary Readings in Crime Control Strategy includes: - Criminal justice research methods - Criminal statistics and the extent of crime - Police and neighborhood safety - Excellence in problem-oriented policing - Evidence-based policing - Targeting career criminals with DNA evidence - Reorienting crime prevention research and policy - Genetic factors and criminal behavior - Evaluation...

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
