Pearson Education (US), United States, 2016. Mixed media product. Book Condition: New. 4th Revised edition. 232 x 187 mm. Language: English . Brand New Book. CompTIA A+ Cert Guide is a comprehensive guide to the new A+ exams from CompTIA. This book combines the learning and reference tools of the all-time best-selling PC repair book with comprehensive learning on all the A+ exams. It has been fully updated for the new 2015 objectives just added to the A+ exams. This book will help any A+ candidate ace the new exams with guidance from three of the most talented authors in the PC hardware industry. They not only show the reader what they need to pass the tests, but also what they need to apply their learning in the real world. The book is rich with learning and exam preparation features. Hands-on lab exercises, real-world test preparation advice, and the CD accompanying the book allow for at-home practice using electronic test engines, lab exercises, and study notes. Each chapter takes a ground-up approach - starting with the essentials and gradually building to larger, more complex concepts. Beginners will be at ease with this book. Loaded with informative illustrations, photos and screen captures that help readers follow along, the book also includes a handy objectives index that maps each test objective to the section of the book in which that objective is covered. This invaluable tool will help readers be certain that they are ready for test day!.
