Cordanobelo, United States, 2012. Paperback. Book Condition: New. 249 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****.Fully updated in January 2016, and detailing the changes going live on May 16 2016, this is the definitive book on equity crowdfunding for startups i.e. selling shares in your company over the Internet. The process started several years ago with Title III of the JOBS Act and has morphed over time to the final rules on Regulation Crowdfunding from the SEC. This book, updated several times over the last few years, was the very first book on Equity Crowdfunding in the USA and was the #1 book on Amazon in its category for over a year. Raising venture capital has become easier, with the passage of the JOBS Act. It's new, it's different, and it's big! Selling shares in your startup through crowdfunding is a big deal. It's going to totally change the whole way venture capital is raised. This book is for entrepreneurs and business owners to quickly understand what they need to know and where to find it. It's more than collecting the cash; you need to set up a real company with real customers and real cash flow. And sell shares in it. This book covers what you need to do to make crowdfunding your startup a success, in a concise and clear way. The book has 5 sections: 1.How Crowdfunding Works for Startups. After a quick explanation of how crowdfunding came to be, the book looks at how crowdfunding fits into the field of venture capital. Then it addresses how Regulation Crowdfunding has changed things, with a detailed commentary on the 12 most important changes. The chapter ends with suggestions for where crowdfunding would be best used, and...
