Trafford Publishing, Canada, 2005. Paperback. Book Condition: New. 226 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book about sales effectiveness that has been tested in the crucible of real life experience. Some of the stories deal with sophisticated approaches to supply chain management, including consignment and national account programs. These issues may be above the typical pay grade of most sales reps. They are included because success in sales is more than personal effort, skill and talent. It is...
