By Debbie S. Miller

University of Alaska Press, United States, 2010. Hardback. Condition: New. Jon Van Zyle (illustrator). Language: English . Brand New Book. An imposing line of caribou stretches for miles across the frozen tundra of Alaska. The sound of clicking hooves echoes through the air as the herd follows its centuries-old migration route. With their thick coats and their padded, shovel-like hooves, caribou are ideally adapted to their snowbound environment, and this lively children s book explores their habits and habitat - as well as the dangers that await the young and old - along this ancient trail. Writer Debbie S. Miller and artist Jon Van Zyle are keen naturalists and the premier duo in Alaska children s literature, and this beautifully illustrated appreciation of the caribou brings this stately mammal alluringly to life.
