Liberation Media. Paperback. Book Condition: New. Paperback. 158 pages. Dimensions: 8.4in. x 5.5in. x 0.5in. Divide and Ruin: The Wests Imperial Strategy in an Age of Crisis is a collection of articles by British author Dan Glazebrook. Originally published by Counterpunch, Z Magazine, the Guardian, the Independent and Asia Times amongst others, these writings illustrate a new strategy deployed by U. S. , British and other Western powers following the failure of the Iraq war to stabilise Western hegemony. This strategy employs proxy military forces to foment sectarian division and civil war - backed where possible by brutal aerial bombardment - against any independent regional power deemed a threat to Western strategic and economic imperatives. Glazebrook shows the brutality of the Wests racist and exploitative foreign policy against the global South, citing examples from Libya, Syria, and elsewhere in the Middle East, Asia and Africa, and exploring in detail the role of AFRICOM as an imperialist force operating on that continent. Economic and social issues in Britain also come under scrutiny, including an analysis of race and racism in the urban youth uprisings of 2011. Praise for Divide and Ruin: The Wests Imperial Strategy in an Age of Crisis Dan Glazebrook is one of a handful of authors that I depend upon for valuable insight, information and nourishment. While most of the intellectual world is rushing to support the next NATO act of aggression in the name of human rights, Glazebrook shows in this book how it is NATO and the West which are undermining peace, security and human rights throughout the globe. -Daniel Kovalik, Professor of International Human Rights, University of Pittsburgh School of Law In Divide and Ruin, Dan Glazebrook has expertly laid bare the connections between capitalism, militarism and economic crisis today, and the devastating impact Western foreign...
