Pathfinders of Physiology (Classic Reprint)

By J H Dempster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pathfinders of Physiology Medicine, on the whole, however, has advanced during periods of great intellectual activity and during times of intellectual torpor has remained in a quiescent state. The rise and fall of systems and methods would dispose one to wonder if the end is yet; if we have at last reached the bedrock of fact in a scientific sense. The great advantage of truth over error is that though at times crushed to earth, it will rise again. Not until science and philosophy had freed themselves from the throes of ecclesiasticism, was any marked forward movement possible, for, during the first fifteen centuries of the Christian era the most preposterous ideas of physiology obtained, being founded upon the sacred writings and superstitions of the saints. The growth of knowledge through observation was scarcely possible until the priest was no longer physician. With this great event is associated the name of Hippocrates who was the first to make deductions based upon experiment and observation. He lived during the Golden Age when Pericles ruled with mild...

Reviews

This pdf is indeed gripping and exciting. It is writter in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
