Tyler is thirty-something and disillusioned with life. Hanging onto a magnificent balloon far above his London office, he sees countless other daydreamers. Immediately abandoning his stale reality, Tyler begins a search for answers about life, death and his part in it all, and on discovering a world seemingly void of magic is left contemplating the existence of miracles. At a ramshackle Georgian house in Yorkshire, Molly has an extraordinary encounter with an old lady who in sharing her past will help Molly reach for a future she could never have imagined. However, nothing is as it first appears in this bittersweet story about second chances, entwining destinies, a field of enchanting sunflowers, a memory tree and the search for love . even beyond death. A thoughtful, captivating, poignant and ultimately uplifting novel, A Rhapsody of Dreams will make you want to celebrate life and love.
