Anviltax, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever wonder if you are taking full advantage of the US tax system? Are you afraid the taxman will come knocking? Have you questioned whether you are maximizing all the available deductions for your business? If so, then the Anvil Tax Guide is for you! A former IRS auditor, David Tuck, shares his insider secrets on: 1.How to prepare for an audit by expecting the worst. 2.Learn the US tax system - designed to make you rich, sustain your business, donate to causes you care about, and help you attain financial security. 3.Not leaving money on the table with missed deductions. 4.How to turn your business into a tax ATM machine! 5.Take control of your business bookkeeping and tax planning operations. David spent years auditing small business owners for the IRS and noticed one thing: The rich people he was auditing all had in-depth knowledge of the tax system and knew how to take full advantage of deductions. The wealthy taxpayers I audited taught me some valuable lessons. They had figured out the tax system and were using it instead of being used...
