Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story of the Pearl No one knows who discovered and first used pearls as ornaments. Before history began to be written, men loved and admired these precious gems as they do to-day. The American Indians had hordes of them when white men first set foot on this continent, and they are found in the mounds where they were buried with the bodies of the honored members of their tribes. But it is with the things of to-day that we are most interested. Where do pearls come from and how are they formed? The pearl oyster, *Meleagrina*, furnishes most of the finer pearls which come from the sea. These shells are found in the warm seas of many parts of the world; the Persian Gulf, Ceylon, Borneo, The Phillippine Islands, The Malay Islands, Panama, and the West Indies. The fresh water mussel, *Unio*, from which many of our most valuable pearls are taken, inhabits the rivers and lakes of the temperate parts of the world. China, Russia, Germany, England, Scotland and the rivers and great lakes of Africa. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
