By Stephanie Jones, Lane W. Clarke, Grace Enriquez

Teachers' College Press. Paperback. Book Condition: new. BRAND NEW, The Reading Turn-around: A Five Part Framework for Differentiated Instruction, Stephanie Jones, Lane W. Clarke, Grace Enriquez, This book demonstrates a five-part framework for teachers, reading specialists, and literacy coaches who want to help their least engaged students become powerful readers. Merging theory and practice, the guide offers successful strategies to reach your 'struggling' learners. The authors show how teachers can 'turn-around' their instructional practice, beginning with reading materials, lessons, and activities matching their students' interests. Chapters include self-check exercises that will help teachers analyze their reading instruction, as well as specific advice for working with English Language Learners. This title features: effective methods for differentiating reading instruction in Grades 2-5; real-life classroom vignettes and examples of student work; helpful teacher self-evaluation exercises; strategies to use with English Language Learners; and, much more.

Reviews

This written ebook is fantastic. It is probably the most incredible ebook we have read. Its been written in an extremely basic way in fact it is just following i finished reading this publication where basically modified me, affect the way i think.
