America Star Books, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dreamless Then and now. Here and when. Random thoughts circle round like buzzards overhead. Walking aimlessly through an unending Hallway of past and present memories. Bodies moving forward while steps Thunder inside and echo loudly Like the clanging of metal against metal Forging itself into an incomprehensible mass of Molten silver material. Flying high while feet still grounded. Arms feel the wind pass through them And they begin to rise like wings Gliding on the North Wind s breath. Running forever without purpose without direction. Lost in the moment and driving towards A horizon slowly escaping as light Fades and stars rise. The moon glances and the darkness ensues. The cold air dances through the trees. Falling forever for a reason unknown. Arms flailing to no avail until finally I stand naked before an audience And before I realize it I can finally Close my eyes and rest. Then I start to dream. Still nothing.
