CAREER EDUCATION IN INDIA THE INSTITUTES OF HIGHER LEARNING

Mittal Publications, New Delhi, 1994. N.A. Book Condition: New. Viii+424pp Where a particular course for higher studies is being taught? How to seek admission in professional courses and in which institution(s) in India? What facilities are available for pursuing different career education courses? What is the procedure for admission? A series of such queries is there before every student and his parents. A few booklets/ pamphlets with scanty information may be available here and there but not centrally at one place. The present volume is an answer to all such queries. Have it-choose your choicest course of study ? locate at various prestigious institutions ? contact at the correct address given, get selected and achieve your target. A pioneering attempt has thus been made by the author to compile this work not only for the benefits of our students and parents but also for guidance workers and counsellors working in Guidance and Information Business of the universities and colleges. The Institutes for special education have also been introduced in the present work.
