This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

These puzzles are oceans of fun, because all the words relate to things undersea. Will you sink or swim? Here are the rules: Each puzzle has numbers hidden under 26 scratch-off silver circles. Pick a letter, rub off the circle, and find out if the letter is in the answer and where. But if you miss six times, the rope the hangman throws you will be a noose instead of a lifeline!.
