CCB Publishing. Paperback. Condition: New. 34 pages. Dimensions: 11.0in. x 8.5in. x 0.1in.Hi! My name is Charlie. This is my story about starting school. I was very excited and couldnt wait to go. When we got there, I saw lots of people I didnt know and wanted them all to like me. But wait till you hear what happened! One boy didnt like my name. A girl couldnt tell what I drew in art class. A boy didnt like my shirt. Another boy said I was too tall, and a girl said I was too short. I got all mixed up. I knew what they said wasnt right, but I wanted to please. Thats when I became Charlie Chameleon. I told my parents what happened - how I kept changing so that everyone would like me. They told me I didnt have to do that. I was okay just the way I was, and real friends would like me just the way I was, too. They said I should believe in myself and always do what I know is right. I should not always listen to what others want me to do, or I wont be who I really am. Im glad I found this out. My parents said they liked me just the way I was. That made me very happy! I like me just the way I am, too! And you know what My real friends were very glad I learned to do what I thought was right. They said I helped them want to be who they really are, too. I hope you like my story. XOXOXOXOXO Your friend, Charlie P. S. Charlie has been used in Kindergarten through 4th Grade classes and reviewed by teachers, principals, counselors, psychologists, clergy, parents, and grandparents. The story has been...
