Learn Spanish or English with this Dual Language Story! There was once a penguin who had a peculiar pair of boots. Tremendous boots, I would say. Those kind of boots that, when you see them, make you wish you were a cowboy. Leather, brown with yellow stars and some nice buckles. Long, up to the knees. Peculiar, but simple. This is the story of Mr. Penguin and his very special boots! The Penguins Boots Botas del pingino (EnglishSpanish Dual Language Book) This book is for anyone that is learning Spanish or English, young or old, beginner or expert. This SpanishEnglish story is presented in three versions. The first version is an alternating SpanishEnglish format, where the reader can first read a paragraph in Spanish, and then follow along in English. The second version presents the entire story first in Spanish, and the third version, in English. In this way, the reader can practice their comprehension with the full story. Praise for Gabriel Drexler: The idea of this book is a good one - you have a short story that is written in Spanish and in English and the different languages are laced in between one another. . . I really like this idea since it allows you to quickly compare and contrast the two languages and easily correct yourself. I will re-read this many times. It is a great way to reinforce Spanish expressions compared to English. The story is entertaining, and the use of Spanish juxtaposed with English makes language learning easier, since my main reason for purchasing this book was to improve my Spanish skills. This item ships from La Vergne, TN. Paperback.
