

The Psyche at Work: Workplace Applications of Jungian Analytical Psychology (Paperback)

By -

Chiron Publications, 2015. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****.How does the corporate world, heavily invested in patriarchal values, confront these changing times, in which other values are challenging long-held assumptions about power and structure? How can organizations acknowledge their unconscious and do something about it? What are their creative sources? What are the possibilities for transformation in the structures of traditional organizations, and how will such changes affect labor and management? The essays in this volume suggest that the theories and insights elaborated originally within the context of Jungian analysis and practice can address these kinds of questions in fruitful and creative ways.
