

the scientific proof of the one true godthe me postulate

By Michael Michelle Mattathias

We of all Humanity, The. Paperback. Condition: New. 30 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. The scientific proof of the one true godthe me postulate includes both the original and modified version of the postulate. The original postulate was changed after the author better understood two events that occurred in 1998, and 1999. The events, integrated into the life of the author by the creator of humanity, provided the wavelength and frequency necessary to scientifically prove, the we of all humanity is integrated into the creator of humanity. The scientific proof of the one true godthe me postulate is therefore not an academic exercise, is instead one that can be proven or disproven using existing technology. Until the scientific community includes the creator of humanity in the theories of the universe, such as The-God-Particle, String-Theory, The-Big-Bang, Black-Holes, the theories will be nothing more than an intellectual pursuit in The-Temple-between-The-Temples to solve The-(black-emotional-hole)-problem-of-having-been-made-to-feel-unworthy-of-being-lovnewed. The simple truth is the universe cannot be defined by any Hang-My-Hat-On-Theory that denies the universe is integrated into the creator of humanity because the creator is an integral part of the universe. If the scientific community would include the art of sensing the whisper of the...
