With the impending death of his father, he'll add one more - leader of StarMyst Conclave. Ten years ago he left StarMyst after a night of passion with Jacy Duwards. He always loved her, always wanted her, but had something he felt he never had the right to. Still, memories of her haunt his days and nights. Hacy stayed by her foster father's side, nursing him through the long months of his battle with cancer. With his time near the end, Te's back. Ten years haven't changed anything except to heighten her desire for the man destined to take over the conclave. The Prodigal Son has returned, and he's ready to claim everything that's his - including the woman he loves. Trade.
