DOS Madres Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Poetry. Illustrated by Jean Dibble. With critical commentary from Robert Archambeau. **REVOLUTIONS** is a unique collaboration between poet John Matthias, printmaker Jean Dibble, and critic Robert Archambeau. Two poetic sequences by Matthias, *The HIJ* and *After Five Words* Englished from the Russian generate, first, a corresponding sequence of poster-poems by Dibble and, second, a series of free commentaries by Archambeau. *The HIJ*, emerging initially from an alphabetical game using chance operations in the Dictionary, eventually produces something of a character and a narrative, both of which are probed by the artist and commentator. The *Five Words* are translated from Russian poet Osip Mandelstam's *He Who Finds a Horseshoe*. Again, the poster-poems enlarge on the text and the commentaries complete a sequence of revolutions without resolutions.
