Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Ontario High School Reader It has been considered advisable to make some changes in the High School Reader, in order that it may more adequately meet the present needs of pupils in the secondary schools. Owing to the wealth of literature to which the world-upheaval of the past few years has given rise, some of the selections in the former edition have been replaced by prose and verse dealing with different phases of the Great War. As the book is intended for the teaching of oral reading it contains an introductory chapter on the Principles of Reading, and selections for practice, with appended notes. An effort has also been made to grade the selections in the order of their difficulty. Accordingly, a number of selections, each illustrating in a marked degree only one, or at most two, of the various elements of Vocal Expression, have been placed at the beginning; these should, of course, be taught before the more complex selections are attempted. It is not intended that the pupil shall master the chapter on the principles before beginning to read the selections; he should become familiar with each topic as it is illustrated in the lesson. In dealing with each lesson the teacher should first ascertain the elements of vocal expression that it best exemplifies. He should then discuss these elements with the pupils, using the necessary paragraphs of the Introduction, and such black-board exercises as he may deem necessary, until he is satisfied that the pupils are ready to undertake the study of the selection. At the oral reading the pupils should be able to show their mastery of the principles thus taught. Toward the close of...
