Man s Search For Meaning: The classic tribute to hope from the Holocaust (Paperback)

By Viktor E. Frankl

Ebury Publishing, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. 9 MILLION COPIES SOLD A book to read, to cherish, to debate, and one that will ultimately keep the memories of the victims alive John Boyne, author of The Boy in the Striped Pyjamas A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn t) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the concentration camp prisoner became was the result of an inner decision and not of camp influences alone. Frankl came to believe man s deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.

Reviews

A top quality ebook and also the font employed was interesting to read. This is for those who statte there was not a worth studying. Your life span will probably be enhance when you total looking at this ebook.

-- **Billy Christiansen**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
