Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Which of our modern historians, they asked themselves, has had any real feeling of the importance, the sacredness, of his subject? - any real trust in, or respect for, the characters with whom he dealt? Has not the belief of each and all of them been the same - that on the whole, the many always have been fools and knaves; foolish and knavish enough, at least, to become the puppets of a few fools and knaves...
