HEALTHCARE DELIVERY IN THE U.S.A.: AN INTRODUCTION, SECOND EDITION

Productivity Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for the First Edition: This brief but remarkable book is balanced in its consideration of the history and scope of health care in the US today The volume comes too late to be a factor in the 2009 congressional debate over health care reform. Although Schulte (Grand Valley State Univ.) avoids legislative recommendations, this work should have been required reading for every...

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
