

The Surveyor s and Engineer s Companion: Being a Concise Treatise on Mathematical Instruments, Containing an Improved Method of Telescopic Measurements, Illustrated with Numerous Engravings (Classic Reprint) (Paperback)

Filesize: 4.21 MB

Reviews

This pdf is indeed gripping and exciting. it was writtarn quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Kurtis Parisian)

THE SURVEYOR S AND ENGINEER S COMPANION: BEING A CONCISE TREATISE ON MATHEMATICAL INSTRUMENTS, CONTAINING AN IMPROVED METHOD OF TELESCOPIC MEASUREMENTS, ILLUSTRATED WITH NUMEROUS ENGRAVINGS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Surveyor s and Engineer s Companion: Being a Concise Treatise on Mathematical Instruments, Containing an Improved Method of Telescopic Measurements, Illustrated With Numerous Engravings Some of the Tables are entirely original, and others, it is supposed, are more systematically and conveniently arranged than they will be found in any other work. The Table for finding the Variation of the Magnetic Needle, at any hour of the night, and that for finding the Divergency of the Parallel of Latitude and Prime Vertical, are examples of the former, while the Table for ascertaining Altitudes by the Barometer, and that for computing the amount of Atmospheric Refraction, are examples of the latter. The first two of these Tables are not to be found in any known Treatise on Surveying, and the last two have Formulas placed at their bottom, in which every step of the calculation is clearly indicated, and the necessity of constantly referring to the Examples altogether avoided. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
