Blurb, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A masterful retelling of The Odyssey, written especially for younger readers. This book provides a perfect introduction to the storyline contained in the famous classic work, starting from the end of the Trojan War when the hero Odysseus sets off for home after having spent ten years at war. All of the great events and adventures are recounted in this easy-to-read version-the land of the Lotus Eaters, the Cyclopes, Circe, the Sirens, the Island of Calypso, and much more. Along with The Iliad, The Odyssey is among the oldest existing works of Western literature, with the earliest written version dating to around the eighth century BC. It is a vital work for anyone seeking a well-rounded classical education. This version has been completely reset and hand-edited and contains the original illustrations by W. Heath Robinson.
