Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you love to color colonial architecture from the nation s revolutionary city capital in the Williamsburg Virginia Geographic Area and the Historic Restoration district, this book is definitely a must buy! The book is filled with 30+ Gray Scaled Photographs of some of the historic and restored buildings, as well as alleys and back gardens you will find if you visit the area. As a Scavenger Game - look through the book and see if you can identify the location of all the illustrations throughout the book. Mark the location page with the longitude and latitude coordinates. Buy more books for your friends and family and see who can identify all the locations of the structures in the book first! Details about the book: \*\* Non-perforated pages (you can use an craft knife or razor to remove them) \*\* Glue-bound spine \*\* Pages are 8.5 x 11 with an approximate 1/2 inch margin around the photographs; paper weight is the thickness of standard paper-back books; some wetter media may bleed through the paper (test first, back with cardboard or plastic!) \*\* Two pages of pre-views of drawings in the book should be available on...
