It All Began with Daisy

By Sonia Harrison Jones

Erser and Pond Publishers Ltd., United States, 2013. Paperback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.This incredible success story tells in accurate, humorous detail how two sophisticated New Yorkers left the rat race and bought a farm in Nova Scotia. When their cow, Daisy, gave them too much milk for their little family, Sonia Jones started making dairy products for the local health food stores. Her recipes for yogurt, ice-cream, cheese spreads and cheesecakes took the province by storm, and soon the company began to grow like Topsy. The Jones s enterprise was so successful that they ended up becoming the proud owners of a multi-million dollar corporation. WHAT THE PRESS IS SAYING: The author relates the story in an engaging fashion, even describing setbacks cheerfully. There is added charm in accounts of veteran farmers whose advice was invaluable to the couple, to whom rural life at first was utterly alien. -Jim Morrison, Publishers Weekly The most appealing idea in this book is the notion that small-scale capitalism can help preserve both ecological balance and individual freedom. Especially when applied to farming, the vision brings out the Jeffersonian in us...

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Camille Larson**

I just started off looking over this ebook. It is actually loaded with wisdom and knowledge. It's been developed in a remarkably simple way. In fact, it is simply after I finished reading through this book where it basically modified me, modified the way I believe.
