

## Fine Woodworking on the Small Workshop

---

By Fine Woodworking

Taunton Press Inc, United States, 1989. Paperback. Book Condition: New. 274 x 206 mm. Language: English . Brand New Book. For some woodworkers, the shop is just a place to get the work done. For others, it requires as much planning and consideration as the work itself. No matter how simple or sophisticated the place where you do your woodworking, you re sure to find some new ideas on shop setup in this collection of 41 articles from Fine Woodworking magazine. Included here are discussions of floor layouts, plans for building and improving workbenches, suggestions on storing tools, methods of clamping and holding work, and tips on controlling dust and keeping your shop safe. Fine Woodworking magazine has been the most trusted resource for woodworkers since 1975. To celebrate the 40th anniversary of Fine Woodworking, The Taunton Press is re-releasing a number of classic titles from the early days of the magazine. Long out of print, the books are filled with expert information that s as timeless now as when it was first published.
