Despite the 74-year difference in age, Vivien and Molly find something in each other that allows them both to begin healing. Orphan Train is a touching look at the importance of what people carry with them and the legacy of trauma. Readers will feel heartbreak and joy as the narratives of these two strong women unfold. A sentimental novel that interweaves the stories of two women who carry the burden of the past with them, Christina Baker Klines Orphan Train is also a compelling look at a little-known chapter of American history. When 17-year-old Molly must complete 50 hours of community service, she is hired to clean out 91-year-old Vivien Dalys attic. A foster child, a Native American, and a goth, Molly has felt alienated for most of her life, and shes built up emotional barriers to protect herself. Vivien, an orphan sent by train to live a life of indentured servitude, also bears the scars of solitude and alienation. The two recognize each other as kindred spirits, and a powerful friendship blossoms despite the generational differences. In Orphan Train, Kline tells a compelling story from dual perspectives, playing with tense and perspective to clue readers in to who is narrating the story. This item ships from La Vergne,TN.
